THE ONE WHERE WE WENT
VIRTUAL

WELCOME FROM THE PRESIDENT

Hello TASFAA Friends!

It is my great honor to welcome you to our 52nd annual conference, *TASFAA 2021, The One Where We Went Virtual!* May it be *The Last One* that is virtual too. Our conference theme, *Friends*, is a tribute to the incredible collegiality and collaboration within our association and profession. The characters of the hit TV Series, *Friends*, helped each other through all of life's setbacks and successes, and they laughed along the way too. This past year, we persevered to connect and help each other as well.

Sometimes with laughter and sometimes not. In TASFAA we are more than just colleagues, we are *Friends*, and that makes all the difference. Just like the Rembrandts' song for the *Friends*' theme, "I'll be there for you," in TASFAA "*We'll Be There For You*" too.

Under the tremendous leadership of Jo Wallace, your Conference Committee has done an excellent job in bringing you a superb, three-day, jam packed virtual agenda! It was carefully prepared with you in mind, complete with virtual BINGO! We get to see some new friends this year also. Please extend a warm TASFAA welcome to Megan Coval, NASFAA Vice President of Policy & Federal Relations; Dr. Megan Smith, President-Elect of MASFAA; and our new fed trainer, Arva Thomas. We, of course, could not have this year's conference without our longtime friends from TSAC, and our very own Celena Tulloss, SASFAA President, who will greet us as well. Without a doubt, this conference is *The One Where the Conference Committee Nailed It!*

Just as we experience setbacks professionally, so too do we in our personal lives. This past summer, my 25-year-old son, Colton, was diagnosed with Type 1 Diabetes (T1D). Currently there is no cure for T1D, and until a cure is found, Colton, and many others will remain insulin dependent to survive. His diagnosis is what led me to select this year's charity, [Juvenile Diabetes Research Foundation](#) (JDFR). Thank you from the bottom of my heart for your contributions! With your help, perhaps one day T1D will be *The One with a Cure!*

To all our sponsors who have supported the mission and contributed to the success of TASFAA, I wholeheartedly thank you! We could not begin to achieve our mission without your support, guidance, and friendship, and it is truly appreciated. TASFAA remains fiscally strong and can offer this year's conference free for members because of their financial contributions to our conferences, and the relationships built with our members. Please take time to participate in all the opportunities to learn about their services and products and to say "hi.". Additionally, thank you to all our moderators, presenters, and many others who have provided ideas, input, and moral support. I know this year's conference will be a success because of your hard work!

In closing, I am forever grateful for this golden opportunity afforded to me, and I thank you for entrusting me to serve as your President for 2020-2021. Your support has been phenomenal and serving you has been my upmost honor and pleasure. I hope you enjoy the conference, *Friends*, and I look forward to seeing each of you during *TASFAA 2021, The One Where We Went Virtual!*

With gratitude,

WELCOME FROM THE CONFERENCE COMMITTEE CHAIR

TASFAA FRIENDS.

On behalf of the Conference Committee, I would like to welcome you to our 1st ever virtual conference and thank you for joining us via Zoom. It has been my pleasure to serve as this year's conference chair, and I would like to thank TASFAA President, Danette Seale, for giving me this opportunity. This has been a difficult year to plan anything but with the support and assistance of the entire Conference Committee Members, it has all come together. We have had to rely on each other greatly, which is why your conference committee has done an outstanding job of making it all come together for our TASFAA Family! This year's conference theme is FRIENDS, because we have had to rely on each other so much more this past year.

TASFAA 2021 "THE ONE WHERE WE WENT VIRTUAL"

So, get ready to sit back and relax with your **#TASFAAFRIENDS2021** to learn new ways to grow both professionally and personally to help you assist Tennessee students.

The Virtual Conference will kick off on Monday, April 19th at 8:30 am (CST) with an Introduction to our Charity [JDRF \(Juvenile Diabetes Research Foundation\)](#). We will also welcome our new **FRIENDS**, Ms. Arva Thomas-U.S. Department of Education, MASFAA President Elect-Dr. Megan Smith, Vice President of Policy and Federal Relations of NASFAA-Megan Coval, and current SASFAA President-Celena Tulloss. I hope you will join us in giving them a warm TASFAA Welcome.

Even with this being a virtual conference this year, the fun doesn't end when the sessions are over. On Tuesday evening, April 20th at 5:30 pm (CST) we will have virtual [BINGO](#) that was planned by our OBCs (Original Bingo Callers) Eric Farmer and Charles Harper. You will also have a chance to donate to this year's charity, [JDRF](#) by purchasing additional BINGO Cards, bidding on items in our [Silent Auction](#) and the [50/50 Raffle](#).. Sincerely,

Jo Wallace, TASFAA Conference Chair

CONFERENCE CHARITY

Dear TASFAA,

President Danette Seale has chosen **JDRF**, Juvenile Diabetes Research Foundation, as TASFAA's conference charity this year to support its mission to cure, prevent, and treat type 1 diabetes (T1D). **JDRF** holds a special place in President Seale's life as T1D has recently impacted her family with her son's diagnosis and she believes in their vision of a world without type 1 diabetes (T1D).

With T1D, a person's pancreas stops producing insulin—a hormone essential to turning food into energy. The daily life of someone with T1D brings a multitude of challenges, including insulin injections that need to be carefully balanced with eating and activity, disruptive glucose monitoring, sleepless nights—and wishing for a tomorrow where this struggle does not exist.

Living with T1D means there are no days off and there is no cure. But there is hope.

Your generosity will help **JDRF** fund life-changing breakthroughs to remove the incredible daily burden of this disease—until it no longer exists.

Many of you have already supported our charity by purchasing our conference t-shirt, where \$10 of each shirt will go directly to JDRF. Remember to wear your **Conference Shirts on Wednesday, April 21st!**

You will be able to support [TASFAA's Charity](#) throughout the conference by bidding on items in the [Silent Auction](#), playing [BINGO](#) on Tuesday night (detailed info coming) and participate in the [50/50 Raffle](#). Each time you participate you are entered to win a door prize! You can also donate directly to [JDRF](#)

Thank you!

Chanell Thomas
